

Found

By: Gracie Lott

Verse 1

I was stuck in the dark, looking for love giving away my heart
To anyone who would come, my excuse was I was young but,
Life was bleak and I was weak and my heart just kept on bleedin'
My world came crumbling down, and that's when I was found

Chorus

Oh, Your love saved me from this life of emptiness
You showed me there's strength in my weakness
You are the only one I live for now
Now that I've been Found

Verse 2

I had big dreams right in front of me, but You told me to give you everything
So I did, body spirit and soul, I'm letting go
Sometimes it feels like I am walking blind, but I know that all in time
You'll use me for Your greater plan, my world is all in Your hands, all in Your hands

Play Chorus

Bridge

You sent your son down so that there was life after the ground,
If we want to live then first we've gotta die, out of the ashes we will rise, we will rise, we will
rise, ooooo yeah

Play Chorus 2 times then end
